7:00 pm **Science...and the Quest for Purpose** By **Dr David Humphreys**, B.Sc., M.Sc. (London), Ph.D. (McMaster), F.C.I.C.
Professor Humphreys will present a thought provoking blend of experiments, demonstrations, and scientific insights in his consideration of the way in which the molecules of life can give evidence of purposeful design

8:00 pm **Have Astronomers Identified the Creator?** By **Dr Hugh Ross** B.Sc. Ma.Sc. Ph.D.
Ours is the only generation that has witnessed the measuring of the Cosmos. What does this mean for our questioning of creation? The current base of astronomical research also permits an ongoing testing of a cosmic creation model based on sacred religious texts.

- **Saturday - September 30 - 9:00 a.m. - 5:00 p.m.**
